Pride of Republic Day

25 January 2024

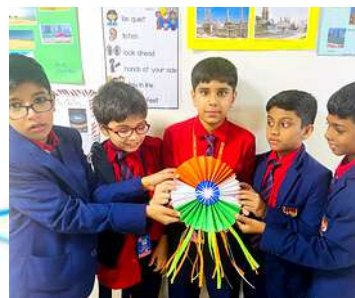

This Republic Day, the air at our school resonated with the echoes of pride as we commemorated the 75th anniversary of India's journey as a sovereign nation. The day marked the inception of the world's largest written constitution, a testament to the ideals that shape our diverse and vibrant democracy.

Celebration @ LIS

The school assembly echoed with patriotism as our students, teachers, and staff gathered to honor the occasion. The excitement as the Indian National Flag unfurled, symbolizing the unity in our diversity.

The heart of the celebration was a musical ode to the nation, orchestrated by our talented students under the guidance of our music teacher, Mr. Nikhil. Their rendition of a beautiful medley of patriotic songs not only lifted spirits but also resonated with the pride we all felt for our remarkable country.

Adding an extra layer of significance, the LAMP sessions were dedicated to various activities that celebrated the essence of the nation. This Republic Day was more than a celebration; it was a reaffirmation of our commitment to the ideals that our constitution embodies.
