Peek into the
Future

Farewell, Our First Batch of Grade 12

It feels like just yesterday you walked into these halls,
wide-eyed and ready to take on it all.
And now, here you are—grown, strong,
and ready to step into the world where you truly belong.

You've laughed, learned, stumbled, and soared,
leaving behind memories we'll always cherish.
We'll miss your voices, your laughter, your spark.
But no matter where life takes you, Loyola will always be home,
and you will always have a place in our hearts.

Go chase your dreams, make us proud,
and remember—you were, and always will be, our very first!

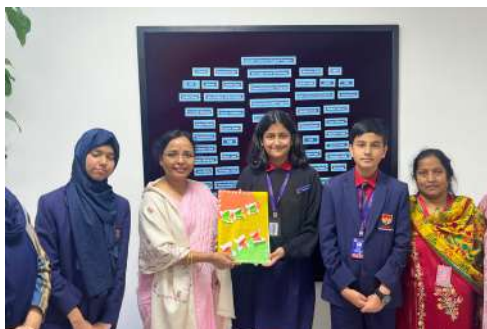

Celebrating Incredible India

Republic Day Pride

We honoured the day with great pride as our Principal, Ms Bhavna Sonkamble hoisted the tricolour marking the occasion with reverence. Our students spoke, danced and sang in praise of the world's largest democracy with the most comprehensive written constitution. The special assemblies was a heartfelt tribute to the values of justice, liberty, equality, and fraternity.

Adding to the patriotic fervor, our little ones crafted beautiful tricolor-themed creations and wore them with pride, showcasing their love for the nation.

Celebrating the Harvest Festival

Loyola International School embraced the festive spirit of Pongal and Sankranti, celebrating gratitude, prosperity, and togetherness! The essence of this festival lies in gratitude, and we took that moment to appreciate the abundance around us & the hard work of farmers. Students immersed themselves in the traditions of this beautiful festival through vibrant cultural activities and crafting their own Kites

Loyola with an Outlook

Our high school students and faculty had the incredible opportunity to attend the **International Day of Education 2025** at the Qatar Convention and Exhibition Center, held under the patronage of **Qatar Foundation for Education, Science, and Community Development**.

Under this year's theme, "Education is Everyone's Responsibility," the event highlighted the collective role of society in shaping the future of learning. Our attendees engaged in interactive discussions, workshops, and exhibitions showcasing initiatives that support education across various sectors. They explored initiatives that showcased innovative solutions by national institutions to support education.

We also proudly participated in the **321 Cultural Olympiad**, an initiative that brings sports and art together in the spirit of Olympism. Five of our students attended the **one-day conference at the Qatar Olympic and Sports Museum**, where they explored how art, culture, and sports intertwine and promote values of unity and excellence.

Competitions @ Loyola

Competitions brought out the best in our students proving that a little rivalry can spark a whole lot of excellence. **VARNA 2.0 - Our Inter-School Art Competition** coloured our campus with hues of brilliance! With the participation of 22 schools, the Art Competition was a grand success!

We don't just go head-to-head when we compete—we rise together! At the **Inter-Campus Spell-Bee Competition**, our little word wizards brought their A game and left everyone spellbound!
