Teacher's Day is a heartfelt reminder of the invaluable role our teachers play in shaping our lives. They are not just instructors but mentors who inspire us to believe in ourselves, even when challenges arise. With their unwavering dedication, patience, and guidance, teachers help us grow both academically and personally.

On this special day, our students expressed their deepest gratitude for their tireless efforts, kindness, and the countless ways teachers help them achieve their potential.

Busy Bees Inter-School Competition

Our campus came alive on 21st September, as kindergarteners from across Qatar showcased their talents in the Busy Bees Inter School Competition. From Fable Fiesta to Spelling Bee, Math Bee, and Palate Parade, these young stars proved that talent knows no age!

With 126 little participants dazzling us with their creativity and enthusiasm, the atmosphere was electric! Our incredible judges, Mrs. Andrea Koduru and Mr. Christopher Almeida, had the toughest job picking the winners! Every child brought something special to the stage, making the day truly unforgettable!

Activities and Motor Skills Development

At our school, we prioritize motor skills development activities as they are the building blocks of a child's physical and cognitive growth. These activities, ranging from games and exercises to creative play that help children improve coordination, balance, and fine motor skills, setting a strong foundation for their overall development.

This month, our kindergarten students were engaged in a variety of activities, from understanding the different seasons to building their own binoculars to watch the nature around them, or creating 2D objects from cut out shapes, these activities encourage learning and also create a nurturing environment where our kids can thrive and grow!
